I had the good fortune to be invited to an Italian comic book convention, and headed to the Tuscan walled city of Lucca.

The ramparts encircling its four-kilometer perimeter give the city an ambience of *Dragon Quest* or a certain manga about Titans. It was super-fantastic.

And the cosplayers strolling the streets were so dapper and completely fitting in with the setting that I, dressed in ordinary clothes, looked out of place.

The realization that these people all love manga gave me such a happy feeling.

I went to Macau on a BARREL ROLL company outing.

One staff member actually hit the jackpot playing slots, surprising all of us. And the Chinese food was delicious and the view was nice. What a blast!

Oh, so how did I do? Well, the house won some, and I lost some, so I think it's fair to say roughly 50-50.

STORY

The Great Ninja War that shook the world and shed much blood is now history. Naruto has become the Seventh Hokage, and the people of Konohagakure Village are enjoying peace. Yet Naruto's son Uzumaki Boruto has a glum life, perhaps due to his father's too-great influence.

Rebelling against Naruto while simultaneously craving his praise, Boruto decides to enter the Chūnin Exam along with his teammates Sarada and Mitsuki. However, Boruto ends up secretly using a prohibited Scientific Ninja Tool and is stripped of his shinobi status by his father.

Just then, members of the Ōtsutsuki Clan attack the arena! Boruto faces off against them alongside Naruto, Sasuke, and others, and they achieve victory with a Rasengan that father and son weave together. However, a strange mark appears on Boruto's right palm...

During a search mission to find Konohamaru, Boruto and his teammates are attacked by former Mist Ninja Ao. Prevailing in the fierce battle, Boruto gains a new perspective on Scientific Ninja Tools, but then Kashin Koji of Kara shows up. Boruto unconsciously activates the power of his mark and absorbs Koji's jutsu, causing the Kara member to retreat for the time being. However, on the way home to Konoha, they find a boy passed out who bears the same mark as Boruto...?!
